Protocol for Arrivals in Greece

Welcome to Greece!

Beginning July 1, 2020, the Greek government has determined how the country will welcome travellers, carry out the necessary diagnostic screening and keep everyone safe throughout the season.

The Passenger Locator Form (PLF) is a key element in the planning. **All** travellers are obliged to complete their PLF at least 48 hours before entering the country, providing detailed information on their point of departure, the duration of previous stays in other countries, and the address of your stay while in Greece.
